

Dear CTU Brothers & Sisters,

As we wind down to the end of another school year, we will also begin the transition from 26 pays in a school year to 24 pays in a school year. Please note that automatic withdrawals for bill payments may need to be adjusted. Our next check is on Friday, May 17. The check that is scheduled for May 31 will be the first check that is moved to begin our transition to 24 pays. That Friday check will actually be paid on Monday, June 3. Please note all of the summer pay dates.

You may need to adjust automatic bill payments as we move to the 24-pay cycle. Starting on August 5 and moving forward all pay dates will be on the 5<sup>th</sup> and 20<sup>th</sup> of each month. The CBA that we ratified in February 2017, called for us to move from 26 pay periods in a school year to 24 pay periods in a school year.

The transition from 26 to 24 pays was to begin over the summer of 2018. However, the CTU and CMSD entered into an agreement to delay the change from 26 to 24 pays by one year. The reasons for going to 26 to 24 pays is to eliminate the 3-week gap in pay and to eliminate the need to adjust pay dates in the summer so that there only 26 instead of 27 pays in a fiscal year. This was important to many of our members during the last contract negotiation. Please contact me if you have any questions.

In Union,  
 David

The 26th payroll is the first payroll of the next contract year for CTU members at year-round and extended schools. Because of the 24-pay system conversion timeline, these members' pay stubs on August 5, 2019 will reflect a 1/24th rate, though it may appear on a separate line. This means that you will be paid correctly, the amounts will be reflected on 2 separate lines in the pay stub. How it will look will be better known as we approach this date.
